Free Shipping for Customer Groups

OVERVIEW

Free Shipping for Customer Groups is an **open-source Magento module developed by Commerce Bees**. The primary focus of the module is to allow free shipping for a selected group of customers.

FEATURES

➢ Free shipping for selected group of customers

➢ Option to select free shipping by customer Group during checkout
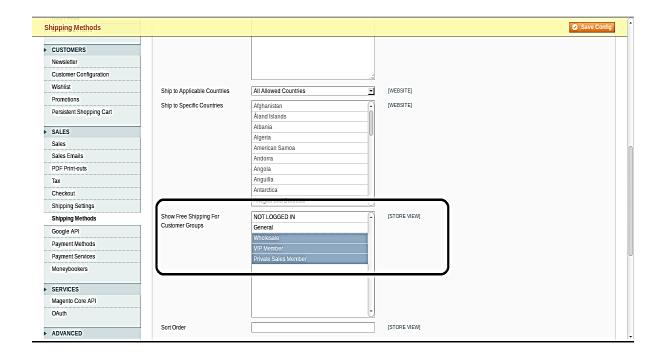

➢ Supports free shipping for multiple groups

INSTALLATION

It is highly recommended to back up your files and database before installing this module. Commerce Bees are not responsible for any adverse effects. It is recommended to install this module in a test environment for initial testing, before implementing the same in your live environment.
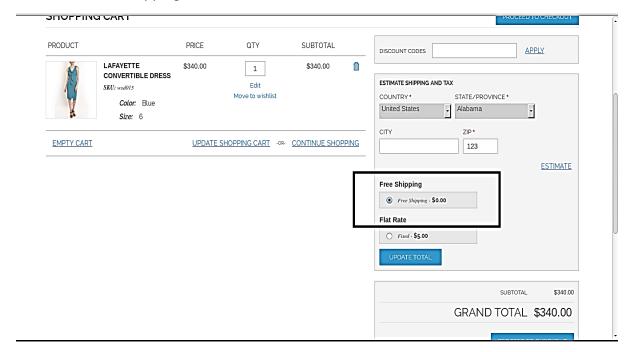

➢ Extract the zip folder *(if not installed via Magento Connect Manager)*

➢ Copy the **app** folder and paste it in your site's document root

➢ Merge the files when asked

➢ Clear your **cache**

➢ Logout from the **admin** and login again

CONFIGURATION

1) Log into your site's admin panel. Go to **System->Configuration**.

2) Under left side sales tab click "**Shipping methods**". There you could see "**Free Shipping for Customer Groups- By commercebees.com**" at the top of the other tabs in setting page.

3) Select the customer groups for which you want to offer "**Free Shipping**". You can select more than one group by holding the **Ctrl** key

4) Save the settings

5) **Re-index and refresh the cache** (*if prompted*)

6) Go to your site and login as a user who belongs to the restricted customer group

7) Navigate to the product detail page and see the magic. The customer can see that the "free shipping" in the cart.

UNINSTALL

You can uninstall this module through Magento Connect Manager.
